MEMORANDUM FOR: Deputy Director of Central Intelligence
Deputy Director for National Foreign Assessment
Deputy Director for Operations
Chief, Near East Division, DDO
Chief, Iran Task Force

FROM: Director of Central Intelligence

SUBJECT: Conversation with Dr. Brzezinski,
21 February 1980 [redacted]

25X1

For the SCC tomorrow, they are going to talk about what planning we need to do for our policy towards Iran in a post-hostage situation. I'd like urgently to get the Iran Task Force to look at what the issues are here both with respect to intelligence and overall national policy, that is, what considerations should we take into account now so that we don't get caught short. [redacted]
